Projects

Miyaka Couture (E-Commerce Platform)

- **Full-Stack Development & Secure Payments:** Developed an e-commerce platform using PHP (PDO) and MySQL-, integrating Razorpay Payment Gateway API for secure checkout transactions and order tracking.
- **Custom UI Engine & Gesture Support:** Designed a premium glassmorphic interface featuring custom Vanilla JavaScript slide animations, mobile touch-swipe gesture controls, and responsive CSS variables.
- **CMS Administration Console:** Built a back-end admin dashboard (HQ) to manage catalog inventory and promotional banners, utilizing SQL scripts to automatically re-index featured slot displays.
